### Street Party Minutes Tuesday 19<sup>th</sup> July 2011

#### SYCT Steering Group

Cristina reported that SYCT are happy to have the Ferrers Triangle on their Steering Group but would like it to be the same person so Cristina will do it.

SYCT is looking for Trustees, Cristina emailed the Grapevine and had some interest so hopefully that will bear fruit.

#### Street Party

Cristina will talk to Jason about a printer and how much. It was decided to print 750 at A5 size. Sally to talk to Duncan about possibly helping out with the cost of the printing.

Jane G and Ali finalising the flyer this week.

Cristina to check with Spires if they would like a table.

Harriet has contacted the fire brigade and will follow them up.

Cristina is going to chat to Clive at SYCT about their anniversary party on the same day as the Street Party and how the two can work together. She will also ask him about borrowing the stage, and possibly a PA system.

Sally has asked Cavendish Lodge about PA system but had no luck yet.

Harriet has contacted Lewin Baptist Church about tables and chairs and they are all good for us to borrow again.

Sally to suss out hiring a bouncy castle and talk to Duncan about possibly sponsoring it.

Harriet has sorted the four face painters.

Sally has been in contact with Lambeth Play and they will do the kids craft again. Harriet asked Sally to check about collecting craft stuff prior to the party.

Jane W has contacted Keith about him dropping off Freshview flyers to have on display.

Jane G sent an email about gazebos. It was decided the big ones were too big and too expensive and better to get lots of small ones cos they are cheaper and easier to store. We have two small ones already. On the hunt for more. If anyone spots a good deal sing out.

Sally to ask Lee about Safer Neighbourhoods coming along.

Cristina happy to store donated books, cds and dvds, an email will go out two weeks prior to party asking people to drop off donations to her house.

Love Streatham will do a table.

#### Website

Richard is chatting to Byron about the website changeover. Richard has been paid by Ferrers Triangle for this year's hosting.

#### Freshview

Jane W handed in a receipt from the Freshview. Sally to organise payment.
