

Ferrer's Triangle Committee Meeting Minutes

Street Party Minutes Tuesday 18th August 2009

Apologies: Liz

1. Ellora Road Planters

Jane W is organising delivery of 10x 50ltr bags of compost from Veolia. Andrew H. to do repairs on Saturday. General call for help going out for 1pm onwards this Saturday & Sunday (Aug 22nd & 23rd). Normal event budget of £50 allocated for plants etc, plus more may be needed depending on plant donations etc.

Jane W also mentioned Community Freshview - see here:

<http://www.lambeth.gov.uk/Services/TransportStreets/StreetCareCleaning/CommunityFreshview.htm>

It asked me for a username! Just hit cancel and read on... Clipboard-bearing men have been spotted about - if it's them, it's record quickness.

2. Sunflower Competition

In the process of being measured - but we need more people to get theirs measured. Sally has done new reminder email.

3. Website

Byron gathering photos (or permissions) from old neighbours Mark D, and Andrew RW, and also Richard Semmens from previous website. Start neighbourhood flickr. Good comments and feedback - new ads and grapeviners being added each week. Website roundup email to go out shortly with street party date, on-street meeting, last charity thank you, eggs ad, tradesmen ads, summary etc.

4. Street Party

(a) Insurance

Need more info on decision - advice should arrive Sept 4th from Clive at SYCT, regards their bouncy castle. Can confirm their bouncy castle is in good condition. (from open day Harriet, Byron, and Sally).

(b) Charity

SYCT. All going very well - see other areas like insurance and stage. (I suggest we keep similar involvement in future years whether our main charity or not).

(c) Stage

From SYTC for free! Allocated so far: Announcements, Street Olympics and Raffle Winners, DJ Speakers (feed from pub like last year), Capoeira?, Tae Kwon Do, Drum Workshop? Please remind me of others as I will start master list to pop up on website committee area.

(d) Stalls Round Up

Bouncy Castle, space for Fire Engine, Ferrers Triangle stall, Lewin Preschool, SYTC, Chutney, Totspot, Facepainting, Books, Craft, Cakes / Big Nosh, Old Folks, Tea and Coffee, Police, Scouts, New Bike Man, Beat-the-Keeper Football. Lewin Road Baptist Church can do 18 tables and 36 chairs. Can Hambro Baptist help with extra tables, chairs or stuff like mugs? Hot water urn organised already. Byron to do street party planning map for working out what goes where (ready for Sept 2nd meeting).

(e) Music

Byron to approach Duncan about EF DJ, and piping music through stage like we did last year. (Can DJ be outside under shelter?)

(f) Press Release

Idea is for press to cover the Street Party and publish after the event, rather than before which could attract loads of outside people. Richard looking after.

5. Other Business

Extra Street Party Meeting Wednesday 2nd Sept.

Byron and Cristina organising filming thing?

Banner erection - coming under FT stall which is Byron. Will approach flat opposite Ferrers to see if we can tie on up on their outside stairway, then across to pub second floor window.
