Dear Jane,

Firstly please accept my sincere apologies for not having written sooner.

I am writing on behalf of all at Streatham Youth And Community Trust to thank you and everyone involved with the Ferrers triangle street party for the very kind donation of £200 made to us from money raised via the raffle on the day.

As you know members of SYCT had asked for the money to go towards a Nintendo Wii for them to use during club sessions and I am delighted to say that one was purchased and as expected it is proving to be very popular.

We were delighted to be able to contribute and be involved in some way towards the success of the party and I very much look forward to us being able to do so again next year.

Once again many thanks.

Yours sincerely

Clive Winter
General Manager
